

**Status Light Terms**

Click here to learn more about the SMARTAUCTION™ status indicator lights. What do the red, yellow and green lights mean?

**Next Acceptable Bid**

When you place your bid it will be entered as the next acceptable bid as shown.

**Progressive Auto Proxy Bid**

Bid the maximum amount you're willing to spend on this item. When you place your bid, it will be for the "next bid" amount. Your bid will automatically be increased up to your maximum amount to help you remain the high bidder.

**Handling Fee**

View the handling fee for the specific lot here.

**Current Bid**

Check out the current bid price here! See the current monetary value of the lot, the SMARTAUCTION™ status indicator light and the last time the page was refreshed. Click the "Refresh Bidding Status" as current bid price is subject to refreshing.

**Remaining Bid Time**

See how much time remains until the lot closes here.

**Bids Placed**

This area will show the number of bids placed on the lot.

**Status of Lot**

This area of the bidding box will inform you if you are currently the high bidder, if you are currently not the high bidder or if there are currently no bids entered on the given lot.

**Opting Out of Proxy Bid**

Bidders at the time of Proxy Bid submittal will have the option, (by checking a box located on their bidding screen), to opt out of the automatic minimum reserve acceptance. If Bidder opts out of the automatic minimum reserve acceptance, any high bid at the close of the auction that does not surpass the minimum acceptable reserve amount will remain in yellow status and such final bid will be presented to the Seller who will have no obligation to consummate a sale with the bidder for this item.

Review Your Bid

By checking this box I wish to OPT OUT of submitting any Auto Progressive Bid (Proxy Bid).
