1. *Project Promotion*
 - Make outbound calls as part of an overall promotional strategy for industry projects while growing qualified contact lists.
 - Utilize LinkedIn and other social media tools to supplement call activity.
 - Achieve goals for call quantities, dialogues, and leads.
2. *Lead Management on Small Value Equipment*
 - Qualify all assigned leads.
 - Assess lead viability as well as value. Progress large-valued opportunities to sales representatives.
 - On lower-value items, negotiate prices and terms of sale with the Buyer directly on behalf of the Seller.
 - Prepare sales contracts for orders obtained and submit orders for processing.
3. *Acquiring Supply that supplements the inventory received through global contracts.*
 - Supply Relationships-qualify and maintain relationships for listings that are posted on website within your industry.
 - Serve as a Project Manager to customers who have listed individual assets on EquipNet.com.
4. *Follow up on past contacts/relationships.*
 - Establish and follow up on contacts from our database of over 700k contacts or from third party platforms such as LinkedIn Sales Navigator.
 - Identify and develop relationships with equipment dealers within your industry.
 - Reach out to customers when neutral and negative feedback is received for items sold in your industry to gain insight for positive interactions in the future.

Requirements

- Customer Service experience or sales experience of manufacturing equipment in the Food, Beverage, and/or Personal Care sectors helpful.

- Strong knowledge of processing and packaging machinery.
- Bachelor's degree in business administration/related field or knowledge of capital equipment.
- Excellent verbal and written communications.
- Computer Skills: Microsoft Office Suite, ability to easily learn web-based systems.

Compensation and Benefits

- Salary commensurate to experience.
- Bonus compensation plan based on company, team, and individual success against set goals.
- Health, Dental, Life & Disability, FSA, HRA 401k, etc.
