Mandatory Bidder Requirements

Thank you for your interest in registering for this auction of laboratory equipment. Please note that the seller has some very specific buyer requirements.

1. NO dealers or any kind of re-seller. The seller will NOT sell any equipment to re-sellers. All buyers MUST be END USERS. The articles that are being sold are for commercial use only, and buyers MUST AGREE that these items will not be resold to other organizations for commercial use. Existing EquipNet bidders that knowingly participate in this auction with the intent of purchasing this equipment for resale will have any items won rejected by the seller, and will also risk losing EquipNet bidding privileges.
2. Each buyer MUST show that they have at least \$1,000,000 of liability insurance
3. Each buyer MUST physically sign and send back the Seller Sales Agreement

If you are the winning bidder for an item, before an invoice can be sent to you, you will need to sign a copy of the seller sales agreement. Please refer to the event landing page to view a copy of the sales agreement.
